## "Green Vision, Our Mission"

Among the "Best Practices" of our school is the celebration of a particular theme all the year round. We have already celebrated the following themes.

2.	Explore India	2012-13
3.	Divinity of Mankind	2013-14

#### **Sunday Afternoon**

Bright yellow sunshine reflects the beauty of the warm afternoon; the heat is making everyone lazy and sleepy soon.

A group of teens is setting under the tree and the soft grass welcoming the youth to dream.

The tall sunflower is nodding towards the sun, and the butterflies are having fun. The firm standing sal tree, gives us the shade for free.

By- Kunal Bairwa & Dhruv Soni (Class VIII B)

My garden is waking up.

To the soft sounds of blooming buds.

Neem & sal are dancing with the breeze. & chirpy birds are fluttering their wings.
